

Pennsylvania Recovery Organizations Alliance
Putting a Face on Recovery

May 24, 2006

Dear Recovery Advocate,

Have you ever felt that the needs of individuals in recovery are not being heard? Are you looking for an opportunity to get involved with an organization that advocates for individuals and families in recovery? Would you like to use your knowledge and experience to help others in their recovery? If you answer yes to any of these questions, then you should become a member of the Pennsylvania Recovery Organizations Alliance (PRO-A).

PRO-A is the only statewide grassroots organization in Pennsylvania working for and acting on behalf of you, the Recovery Community. Our organization represents the best interests of the Recovery Community at federal, state and local public policy forums to assure our needs, as recovering individuals, are heard when policy decisions are being made that affect our lives. PRO-A works to unite the Recovery Communities throughout Pennsylvania in order to send out a clear message that individuals can and do recover from the disease of addiction. We also provide training and education on addiction, recovery, stigma and discrimination. Additionally, we provide recovery support to help those in and seeking recovery.

There has never been a better time to join PRO-A. With a membership of over 2,500 people, PRO-A has the ability to greatly impact public policy, but small enough to provide meaningful opportunities for development, networking, and leadership. I invite you to join us in our efforts.

I am sure that your membership in PRO-A will prove valuable to you and others seeking recovery. Some of the benefits of membership in PRO-A are as follows:

- Ability to participate in the PRO-A speakers' bureau to educate others about addiction
- Opportunity to receive PCB credits at trainings and events at no cost to you.
- A subscription to the PRO-A Quarterly Newsletter.
- Opportunity to participate in quarterly leadership trainings.
- Mailings on the PRO-A Annual Conference and other events
- An opportunity to share your experiences to educate others from the Recovery Community

Enclosed please find a membership application. It is our hope that you will complete this form and return it with the membership fee of \$20 to PRO-A at 900 S. Arlington Ave, Suite 119, Harrisburg, PA 17109. If I can be of any assistance or answer any questions, please do not hesitate to contact me. I look forward to hearing from you.

Sincerely,

Cheryl L. Floyd
