The Pennsylvania Recovery Organizations Alliance will be hosting the 2022 Leadership In Recovery Event: Nothing About Us, Without US!

The event will be all day, in person dinner or conference only.

The Pennsylvania Recovery Organizations Alliance will be hosting the 5th Annual Recovery Leadership Dinner this Fall.

This Leadership Dinner is part of our mission to reflect on the past, while maintaining our focus on the future, and moving forward with continued work in the recovery movement.

PRO•A has served Pennsylvania's recovery community for over two decades. Moving forward in our mission, we are bringing together members of our communities, many of whom have served in a leadership role, as well as friends and colleagues from Pennsylvania's current service system and recovery community to focus on the value of recovery representation in policy and service matters that impact our community.

We will have a half day event to discuss current matters impacting our community and opportunities to strengthen our efforts followed by our evening event. The evening celebration will include dinner, networking, speakers, and our annual awards presentation.

Developing leaders, strengthening the voice of recovery, and elevating the message of hope are crucial aspects of increasing our recovery resources. Supporting leaders who exhibit tremendous ability to effect change and strengthen the recovery movement is crucial to our organization's role.

*Together, we can and do make a difference.
Please support us in our recovery mission.*

Nothing About Us, Without US

Recovery Representation in the design, facilitation, and evaluation of services for our community must involve our community. We need to build a substance use care system that serves the needs of all of our diverse communities to support long term recovery.
